CAREER

2003 - **Earthscapes Design Ltd** - working with private and local authority clients. Employed by Richmond upon Thames as consultant Project Manager for the Heritage Lottery funded Thames Landscape Strategy and Arcadia in the City. The project is a re-definition of the banks, adjacent spaces and visual links of the Thames and Thames-side features between Teddington and Kew.

1999 - 2003 **Alexandra Park Restoration, Hastings**
Project Manager and Landscape Architect. Employed by Hastings Borough Council on a fixed term contract to deliver a £3.46 million project 75% funded by Heritage Lottery Trustees.

1995 - 1999 **Jeremy Linden Landscape Architect** - a successful period dealing with London, South East, Northern & Irish projects covering a widespread area of work including Groundwork Trusts, Civil Engineers, Developers, Local Authorities and private clients.

- 1994 -1995 **Groundwork Camden** - Project Manager and Contract Manager.
A wide range of community and commercial inner-city projects undertaken with an assortment of partners within this active area of London.
- 1992 - 1994 **Sheffield City Council** - Senior landscape Architect.
Working specifically with community groups to design and integrate Urban Renewal within Sheffield area.
- 1990 - 1992 **Groundwork Merthyr & Cynon** - Senior Landscape Architect.
In charge of the Cynon Valley, South Wales. Working with a variety of commercial and community landscape projects. Promoting tourism development within the Valley.
- 1987 - 1990 **Landscape Town & Country** - Landscape Architect.
Working within the privatised Milton Keynes Development Corporation on a grid square of the city with a range of projects from concept to final handover with full project management.
- 1986 - 1987 **Freeform Arts Trust** - Landscape Architect.
A one-year contract working with artists on community projects in London and Newcastle-upon-Tyne.
- 1984 - 1985 **Buckinghamshire County Council** - Year out Landscape Assistant in the Architect's Department. Involvement with projects from brief to post-contract stage.
- 1981 - 1986 **Manchester Polytechnic** - The degree thesis was titled "The Greening of Cities - A New Approach" and concerned methods of greening urban buildings. The diploma project concerned the regeneration of a community in North East Manchester based on a degraded river valley and involving local participation.
